A
PROJECT REPORT
ON
OAMS

BY

Madhav Parikh (MCA-52)

Bhupender Kumar (MCA-35)

Nishant Jain (MCA-24)

Trilok Sharma (MCA-65)

IN PARTIAL FULFILLMENT OF
MASTER OF COMPUTER APPLICATION (SCIENCE)
MIT WORLD PEACE UNIVERSITY
SCHOOL OF COMPUTER SCIENCE

Certificate

This is to certify that **Madhav Parikh, Bhupender Kumar, Nishant Jain, Trilok Sharma** student of MCA (Computer Science) Trimester III have successfully completed the project in partial fulfilment of M.Sc. Computer Science under MIT World Peace University, for the academic year 2020-2021.

Prof.Aliasger Mulla

Internal Guide

Date: 12/02/2021

ACKNOWLEDGEMENT

We wish to express our gratitude to all the people involved in contributing this project of our web application "**OAMS**". We take this opportunity to thank all who have helped us during the project work.

We would like to thank our college, MIT WPU for providing us the opportunity to work on project and gain experience from the same. We present our heartfelt thanks to **Prof.Aliasger Mulla**, our internal guide for her critical reviews of the project which help us to make this more presentable. His gentle support and direction guided us in all aspects of the project.

Last but not the least we would like to express our sincere thanks to our parents for their precious support and their motivation for completing this project.

DECLARATION

We certify that this assignment/report is our own work, based on our personal study and/or research and that we have acknowledged all material and sources used in its preparation, whether they be books, articles, reports, lecture notes, and any other kind of document, electronic or personal communication. We also certify that this assignment/report has not previously been submitted for assessment in any other unit. We have not copied in part or whole or otherwise plagiarised the work of other students and/or persons.

Madhav Parikh (MCA-52)

Bhupender Kumar (MCA-35)

INTRODUCTION

EXISTING SYSTEM

Many consultants do the appointment management offline through calls and text messages, it takes a lot of time and it's not an efficient way, as customers may not remember upcoming appointments and it's more tough to book an appointment through calls and text messages.

PROBLEM DEFINITION- NEED OF COMPUTERIZATION

Technology is nowadays modern. Every Customer has at least one Mobile or Laptop and everyone wants a simple process for the whole scenario of booking an appointment.

So instead of calling and texting, we focus on a direct online process where Customers can directly browse throughout the website and search a relevant Consultant suitable to his/her need and can request to book an appointment easily.

PROPOSED SYSTEM

PROPOSED SYSTEM

- Booking an appointment online has grown in popularity over the past few years.
- An online appointment management system will allow users to register and book appointments with their advisers.
- It will enable users to book appointments with minimal efforts and its convenience.
- It will cover aspects such as :
- Saving time
- Saving money
- 24-hour convenience
- The Website automatically customized itself according to the device in which it is opened

(i) Administrators:

- Can login
- Can verify consultants
- Can verify users
- Can check details of the consultant.
- Can check the feedback and complaint details and can take action accordingly.

CONSULTANT :

- Can register.
- Can login.
- Can manage the schedule.
- Can view the appointments booked for him/her.
- Can approve or decline the booked appointments.
- Can register the complaint towards the user.

USER :

- Can register.
- Can login
- Can book the appointments according to his/her need.
- Can view his/her booked appointments.
- Can reschedule the appointments.
- Can give the feedback.

Can register the complaint against the consultant.

USER REQUIREMENTS

User Interfaces

The set of User Interfaces consists of,

- a) To Login to their accounts after registering.
- b) To Search among the list of available Consultants.
- c) Filter consultants according to profession.
- d) Book an appointment along with time and date.

Hardware Interfaces

Following could be the hardware which can be considerable for our system:

Standard Keyboard, Pointing Device, Display Monitor, Normal Configuration (RAM > 2GB, Graphics integrated, Storage min 256 GB max 500 GB).

Software Interfaces

The following could be the software which can be considerable for our system:

Operating System- Windows (Versions > windows xp).

Frontend :- HTML 5 + CSS + Bootstrap + MS Excel.

Backend :- Python flask + SQL(Cloud Database).

This Website platform would be securely accessible through internet (wired or wireless).

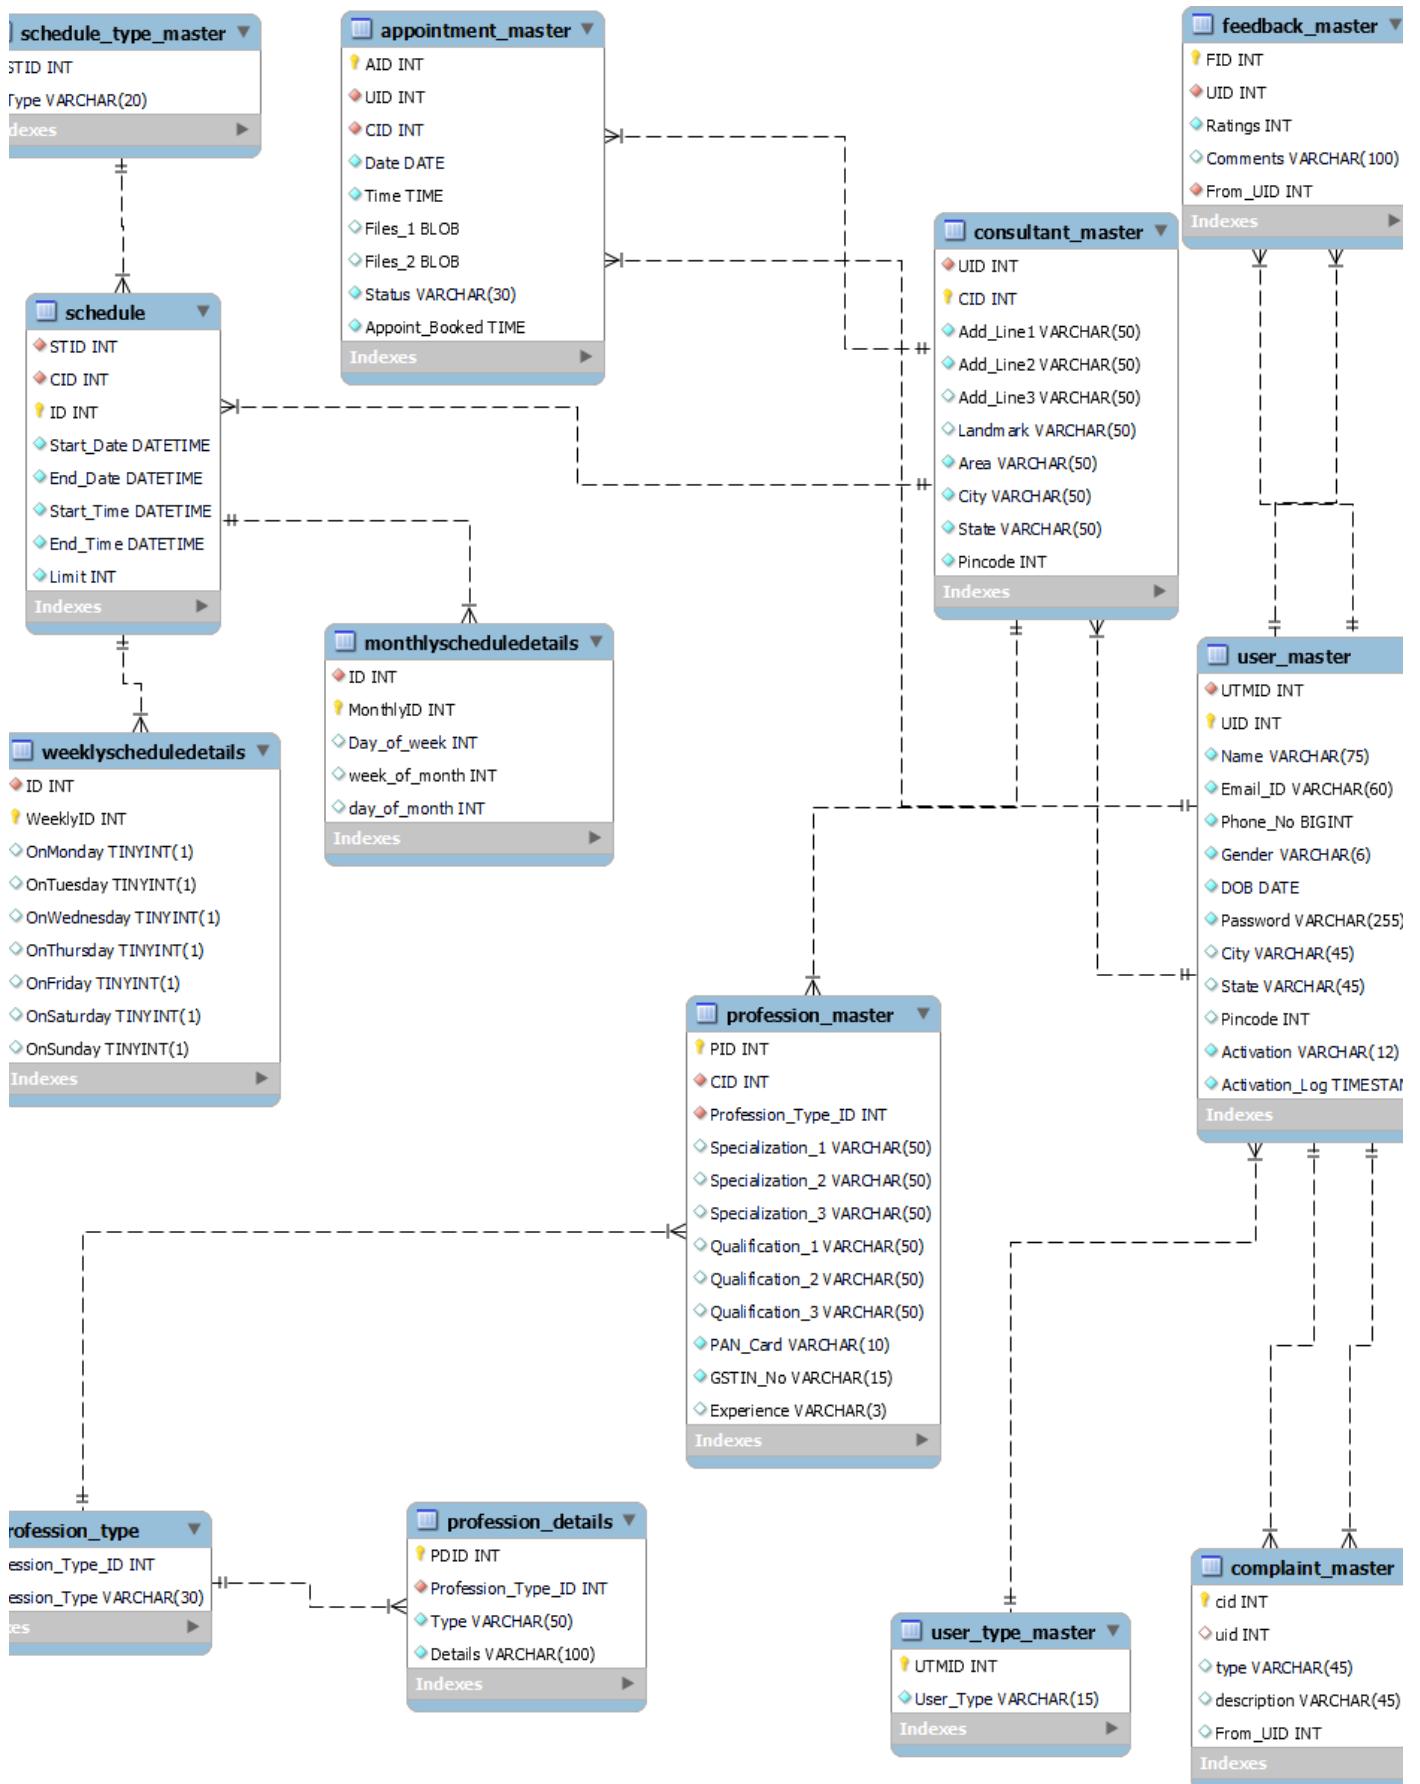

OPERATING ENVIRONMENT – HARDWARE AND SOFTWARE

This software is expected to work in the following atmosphere:

- i) OS:- Windows 7 , 8, 10.
- iii) SQL Workbench.
- iv) ASP.Net

Screen Layouts

Homepage

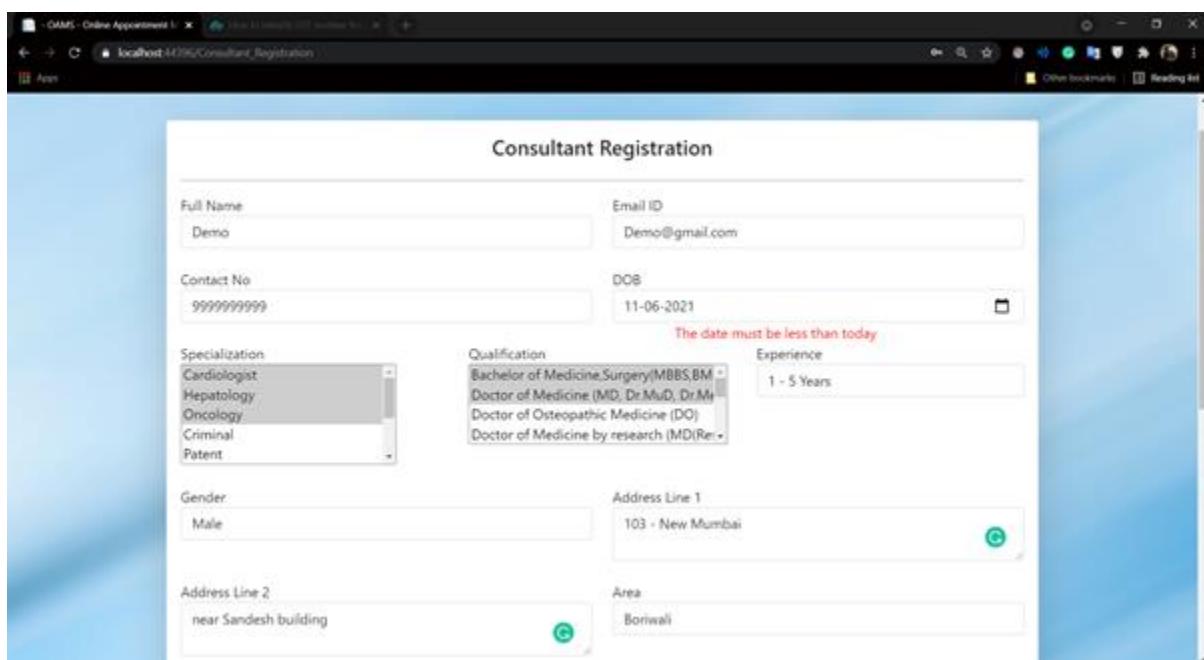

A screenshot of the "Our Features" section of the homepage. The title "Our Features" is at the top, followed by "Our 3 Primary Features -". Three icons are shown: "Appointment On Time" (two people at a table), "Secure Process" (hand pointing at a smartphone), and "Privacy at peak" (two people at a desk). Below each icon is a brief description. The "Appointment On Time" section says: "We should value and respect the importance of time every single moment. We should not waste time at all till the end moment of our life. We provide seamless process in Appointment Booking and a timely completion of task." The "Secure Process" section says: "a secure online Appointment booking system is required to help mitigate the uncertainty that surrounds booking online in this day and age. But how does OASM online appointment booking software ensure a secure booking system". The "Privacy at peak" section says: "We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms and Conditions."

The screenshot shows the homepage of the OAMS (Online Appointments Management System). At the top, there's a decorative banner featuring a stylized illustration of two people's legs and feet. Below the banner, the title "Our Process" is centered, followed by the subtitle "We have a Simple 3 Step Process". Three steps are outlined with icons: "SignUp / SignIn" (user icon), "Book Appointment" (calendar icon), and "Feedback" (person with speech bubbles icon). Each step has a brief description: "Get Started by providing us your valuable data and we'll be keeping it secure.", "Book an Appointment by providing the date and time and paying a very small amount of fees.", and "information or comments about something that you have done which tells you how good or bad it is, every feedback is valuable to us." At the bottom of the page, a dark footer bar contains links for "Admin Login", "Book an Appointment", "Social Links", "Terms & Conditions", "Privacy Policy", and "About US", along with the copyright notice "© All right Reserved. 2021 OAMS".

Consultant Registration

The screenshot shows the "Consultant Registration" form. The form fields include:

- Full Name: Demo
- Email ID: Demo@gmail.com
- Contact No: 9999999999
- DOB: 11-06-2021
- Specialization: Cardiologist, Hepatology, Oncology, Criminal, Patent (dropdown menu)
- Qualification: Bachelor of Medicine,Surgery(MBBS,BM) • Doctor of Medicine (MD, Dr.MuD, Dr.M) • Doctor of Osteopathic Medicine (DO) • Doctor of Medicine by research (MD(Res)) (dropdown menu)
- Experience: 1 - 5 Years
- Gender: Male
- Address Line 1: 103 - New Mumbai
- Address Line 2: near Sandesh building
- Area: Borivali

A validation message "The date must be less than today" is displayed above the DOB field. A green circular button with a checkmark is located next to the Address Line 1 input field.

This screenshot shows the 'Consultant Registration' form on a web page. The form fields include:

- Gender: Male
- Address Line 1: 103 - New Mumbai
- Address Line 2: near Sandesh building
- Area: Borivali
- City: Mumbai
- State: Maharashtra
- Landmark: Hand Circle
- Pincode: 230532
- PAN Card Number: BRD/G9328G
- GSTIN Number: 22AAAAA0000A1Z5
- Create Password: [redacted]
- Confirm Password: Abcde@123

At the bottom are two buttons: 'Register' (blue) and 'Cancel' (red).

Customer Registration

This screenshot shows the 'Customer Registration' form on a web page. The form fields include:

- Full Name: Demo
- Email ID: Demo.Demo@gmail.com
- DOB: 30-11-1982
- Contact No: 9999999999
- Gender: Female
- Pincode: 287879
- Address: New colony
- City: Ahmedabad
- State: Gujarat
- Create Password: [redacted]
- Confirm Password: [redacted]

The top navigation bar includes links for Home, Consultant SignUp, Customer SignUp, Login, and Contact Us.

A screenshot of a web browser showing the login form for the QAMS system. The form features a user icon, the word 'Login', and two input fields for email and password. Below the inputs is a blue 'Login' button and a 'Forgot password?' link. The top navigation bar includes links for Home, Consultant SignUp, Customer SignUp, Login, and Contact Us.

Forgot Password

The screenshot shows a web browser window for the 'OAMS - Online Appointment Management System'. The URL in the address bar is 'localhost:44396/forgot_password'. The main content area displays a 'Forgot password' form with a light blue background. The form has a white header with the text 'Forgot password'. Below it is a text input field with the placeholder 'Enter Registered Email ID'. At the bottom of the form is a blue button labeled 'Send Link'. At the very bottom of the page, there is a black footer bar containing links: 'Admin Login', 'Book an Appointment', 'Social Links', 'Terms & Conditions', 'Privacy Policy', and 'About US'. Below these links, the text '© All right Reserved. 2021 OAMS' is visible.

ADMIN

Admin Dashboard

Update profile : Admin can update the profile details.

The screenshot shows a web browser window titled 'OAMS - Dashboard' with the URL 'localhost:44396/update_profiles'. The page is titled 'Admin Dashboard' and features a 'Logout' button. On the left, there's a sidebar with purple buttons for 'Update Password', 'Verify Consultants', 'Verify Users', 'Manage Professions And Specialization', and 'Manage Qualifications'. The main area is titled 'Update Profile' and contains fields for Name (admin), Email (admin@admin.com), Gender (Male), Phone (9426006271), City (Ahmedabad), State (Gujarat), and Pincode (380054). A green 'SUBMIT' button is at the bottom. At the bottom of the page, it says 'OAMS © 2021, made with ❤ by OAMS for a better Time Management'.

Verify Consultant : Admin can activate consultant and see the feedback and complaint on the consultant.

The screenshot shows a web browser window titled 'OAMS - Dashboard' with the URL 'localhost:44396/View_consultants'. The page is titled 'Admin Dashboard' and features a 'Logout' button. The sidebar has the same purple buttons as the previous screenshot. The main area is titled 'List of Consultants' and displays a table with columns: Name, Email_ID, Phone_No, Gender, DOB, City, State, Pincode, Current Status, Edit Status, and View Complaints. Two rows are shown: Dr.Madhav Parikh (Email: m@gmail.com) and Alok Sharma (Email: alok@gmail.com). Each row has a 'ACTIVATED' button (purple), a checked checkbox button, and a 'COMPLAINTS' button (blue). At the bottom, it says 'OAMS © 2021, made with ❤ by OAMS for a better Time Management'.

Complaint on the user.

The screenshot shows the Admin Dashboard of the OAMS application. On the left, there is a sidebar with purple buttons for various administrative tasks: Update Password, Verify Consultants, Verify Users, Manage Professions And Specialization, and Manage Qualifications. The main area is titled "Complaints" and contains a table with one row. The table has columns for "Type", "Complaint Description", and "Complaint From (User Id)". The data in the table is:

Type	Complaint Description	Complaint From (User Id)
Fees Related	Behavior not appropriate	160

At the bottom right of the main area, there is a copyright notice: "© 2021, made with ❤ by OAMS for a better Time Manageability".

Manage Profession and Specialization : Admin can manage profession

The screenshot shows the Admin Dashboard of the OAMS application. On the left, there is a sidebar with purple buttons for various administrative tasks: Update Password, Verify Consultants, Verify Users, Manage Professions And Specialization, and Manage Qualifications. The main area is titled "Manage Professions and Specialization" and contains a table with eight rows. The table has columns for "Profession Type", "Specialization", "Update Record", and "Delete Record". The data in the table is:

Profession Type	Specialization	Update Record	Delete Record
Doctor	Cardiologist		
Doctor	Hepatology		
Doctor	Oncology		
Lawyer	Criminal		
Lawyer	Patent		
Doctor	Neurologist		
Doctor	Hematology

Updating profession by admin

The screenshot shows the OAMS dashboard with the title "WELCOME ADMIN". On the left, there is a sidebar with purple buttons for "Update Password", "Verify Consultants", "Verify Users", "Manage Professions And Specialization" (which is currently selected), and "Manage Qualifications". The main area displays a table of professions and their specializations. A row for a Lawyer specialization is selected, showing "A new Specialization" in the input field. Below the table are two input fields: "Select Profession Type" and "Enter Specialization", followed by a "ADD NEW PROFESSION" button. The footer includes the text "OAMS" and "© 2021, made with ❤ by OAMS for a better Time Manageability."

Profession	Specialization	Action Buttons
Lawyer	Patient	
Doctor	Neurologist	
Doctor	Hematology	
Doctor	Infectious Disease	
Lawyer	Information technology	
Lawyer	Family	
Lawyer	A new Specialization	

This screenshot is identical to the one above, but the "A new Specialization" entry has been updated to "Another New Specialization". The rest of the interface and data remain the same.

The screenshot shows a web-based application interface for managing professional types and specializations. On the left, there's a sidebar with various administrative links. The main area features a table with columns for profession type and specialization, each accompanied by edit, checkmark, and delete icons. A modal dialog box is overlaid on the table, indicating a successful update. At the bottom, there are input fields for selecting a profession type and entering a specialization, along with a button to add a new profession.

Update Profile : Consultant can update the profile details.

A screenshot of the OAMS Consultant Dashboard. The title bar says "OAMS - Dashboard" and the address bar shows "localhost:44396/update_profiles". On the left, there's a sidebar with purple buttons for "Update Profile", "Update Schedule", "Approve Appointment", "View Appointment", and "Complaint". The main area is titled "Consultant Dashboard" and "Update Profile". It shows a form with fields for Name (Alok Sharma), Email (alok@gmail.com), Gender (Male), City (Vadodara), Password, Phone (8889997678), State (Gujarat), and Pincode (380006). A green "SUBMIT" button is at the bottom. A red "LOGOUT" button is in the top right corner. At the bottom, it says "OAMS" and "© 2021, made with ❤ by OAMS for a better Time Manageability."

Update Schedule : Consultant can update the schedule as per the convenience.

The screenshot shows the 'Consultant Dashboard' with a sidebar containing links: 'Update Profile', 'Update Schedule' (highlighted in purple), 'Approve Appointment', 'View Appointment', and 'Complaint'. The main area is titled 'Schedule' and contains fields for 'Start Date' (26-05-2021), 'End Date' (21-05-2021), 'Start Time' (12:57 PM), and 'End Time' (03:00 PM). A time picker dropdown shows hours from 03 to 09 and minutes from 00 to 06. A green 'SUBMIT' button is at the bottom left. The footer says 'OAMS' and '© 2021, made with ❤ by OAMS for a better Time Manageability.'

Approve Appointment : Consultant can approve the appointment booked by the user.

The screenshot shows the 'Consultant Dashboard' with a sidebar containing links: 'Update Profile', 'Update Schedule', 'Approve Appointment' (highlighted in purple), 'View Appointment', and 'Complaint'. The main area is titled 'Approve Appointment' and displays a table of pending appointments:

Name	Email_ID	Phone_No	Gender	DOB	City	State	Pincode	Date	Time	Status
Trilok Sharma	strilok4031@gmail.com	9785469698	Male	05-05-1999 0:00:00	Ahmedabad	Gujarat	380054	18-05-2021 0:00:00	21:53:00	PENDING
Trilok Sharma	strilok4031@gmail.com	9785469698	Male	05-05-1999 0:00:00	Ahmedabad	Gujarat	380054	26-05-2021 0:00:00	13:30:00	PENDING

The footer says 'OAMS' and '© 2021, made with ❤ by OAMS for a better Time Manageability.'

Appointment approved by the consultant.

View Appointment : Consultant can see the approved appointment.

The screenshot shows the 'Consultant Dashboard' with a sidebar containing links for 'Update Profile', 'Update Schedule', 'Approve Appointment', 'View Appointment', and 'Complaint'. The main area is titled 'View Appointment' and displays a table with one row of data:

Name	Email_ID	Phone_No	Gender	DOB	City	State	Pincode	Date	Time
Trilok Sharma	strilok4031@gmail.com	9785469698	Male	05-05-1999 0:00:00	Ahmedabad	Gujarat	380054	18-05-2021 0:00:00	21:53:00

At the bottom right of the main area, there is a copyright notice: '© 2021, made with ❤ by OAMS for a better Time Manageability.'

Complaint : consultant can file the complaint on the user.

The screenshot shows the 'Consultant Dashboard' with a sidebar containing links for 'Update Profile', 'Update Schedule', 'Approve Appointment', 'View Appointment', and 'Complaint'. The main area is titled 'Register Complaint' and contains two forms side-by-side:

Form 1 (Top):

User Name :	Trilok Sharma
Email Id :	strilok4031@gmail.com
Appointment Date :	18-05-2021 0:00:00
Appointment Time :	21:53:00
Type :	Behaviour Related
Description :	Behavior was not good

Form 2 (Bottom):

User Name :	Trilok Sharma
Email Id :	strilok4031@gmail.com
Appointment Date :	26-05-2021 0:00:00
Appointment Time :	13:30:00
Type :	- Select -
Description :	(empty)

Complaint submitted successfully.

The screenshot shows a web browser window titled "OAMS - Dashboard" with the URL "localhost:44396/Consultant_Complaint". The page is titled "Consultant Dashboard" and features a sidebar with purple buttons for "Update Profile", "Update Schedule", "Approve Appointment", "View Appointment", and "Complaint". The main content area is titled "Register Complaint". It displays a form with the following fields:

User Name :	Trilok Sharma
Email Id :	strilok4031@gmail.com
Appointment Date :	18-05-2021 0:00:00
Appointment Time :	21:53:00
Type :	Behaviour Related
Description :	Behavior was not good

A green "SUBMIT" button is located below the form. A modal dialog box is open, displaying the message "Complaint submitted successfully" with an "OK" button.

Below the form, there is another set of fields for a new complaint entry:

User Name :	Trilok Sharma
Email Id :	strilok4031@gmail.com
Appointment Date :	26-05-2021 0:00:00
Appointment Time :	13:30:00
Type :	- Select -
Description :	[empty input field]

A green "SUBMIT" button is located below these fields.

Limitations & Drawbacks

- Site does not support online payment.
- Not 100% secure

Future Enhancements

We will implement a payment gateway so that users can easily pay through the website.

Conclusion

This platform will ease the process of booking an appointment. The website is authorized and will never redirect you to some unwanted page, every consultant is authentic and registered by themselves and verified from Admin.
